GUIDANCE

- 10 mins per member MAXIMUM

- Topics (community and/or national level): eg. environmental accidents or serious problems, environmental films, government policy, environmental movements, eco-innovation

STRUCTURE OF PRESENTATION

- <1> Raising a question with a short background

- <2> Show the reference list, explaining "how" you answered the question

- **<3> Answer the question in a structured way (e.g. providing reasons) <-- This is the highlight (2~3 subsections)**

- <4> Conclude (main argument) and raise discussion questions (Two questions would be good).

MARKING CRITERIA (*INTER ALIA*)
